

DVSS Career Newsletter

March

Post Secondary Applications

If you have applied to post secondary, **check your application accounts!** Check your Todo Lists and mark your calendars with important deadlines so you do not miss them!

If you have not applied yet and want to explore options for after graduation, come and see me!

myPass

Every gr 12 should have access to myPass. Through myPass you can order your transcript. If you applied for school in Alberta, they will automatically receive your transcript from the government. However, if you applied outside of Alberta, you will need to order your transcript through myPass and have it sent directly to your post secondary institution.

myBlueprint.ca

After you graduate from DVSS, you will no longer have access to your ghsd75.ca email. Many of you used this email to sign up for your myBlueprint.ca account. You get to keep your myBlueprint.ca account forever! However, you need to sign into your account and update your email to a personal email.

UPCOMING DATES

Virtual tours - All post secondary institutions have adapted to the COVID restrictions and are hosting virtual campus tours. If you are interested, go to the school website and in the search bar type "virtual tour" and sign up!

May 1st - Virtual US College Expo -

-Sign up here <https://uscollegeexpo.com/>

International Students

University of Alberta is holding a "Study Permit Renewal Webinar" for international high school students on **March 3, 2021** at **5pm**. Certified immigration specialists from International Student Services will be providing useful information on study permit renewal at the event, which includes a presentation followed by a Q&A session.

This is a free event! Sign up [here](#).

Graduation Preparation!

I will be starting to meet with all grade 12's to fill out their GRAD COMMENCEMENT FORMS. This information will be read at the grad ceremonies.
