

Application Sites

Alberta, British Columbia and Ontario have application portals to enter basic information such as contact information, school history etc. Once complete, students can choose which schools they want to apply to and the portal will autofill the application.

ALBERTA - <https://www.applyalberta.ca/>

- ApplyAlberta is the application portal for any school in Alberta.

BRITISH COLUMBIA - <https://apply.educationplannerbc.ca/>

- EducationPlannerBC is the application portal for any school in British Columbia.

ONTARIO Universities- <https://www.ouac.on.ca/>

- OUAC is the application portal for any universities in Ontario.
 - *Make sure to choose Undergrad105 application.*
 - In the section where it asks about activities, as a current high school student, leave it blank. This section is only for those students who have already finished high school.

ONTARIO Colleges - <https://www.ontariocolleges.ca/en>

- Application portal for any colleges in Ontario.

For other provinces, follow “Apply Now” instructions on the institutions website.
